WELFARE SERVICES CLUB

Welfare Services Club

Find Us On Social Media: @ntuwsc
Contact Email: admin@ntusportsclub.com

Founded in 1985, the Welfare Services Club (WSC) is a non-academic constituent club in NTU which advocates for volunteerism and provides an umbrella of volunteering activities to all students.

Currently, it runs 9 Regular Service Projects (RSPs) involved in weekly volunteering with various Social Service Organisations, 5 Special Projects (SPs) involved in planning ad-hoc volunteering and awareness events, and 5 Supporting Committees (SCs) that support the overall operations of the club. WSC's portfolios address a wide variety of social causes, serving the Elderly, Children from Low-Income Families, Children with Chronic or Terminal Illnesses, Youths-at-Risk, Persons with Mental Health Conditions, Persons with Special Needs and Persons with Disabilities. Besides growing from strength to strength in membership, WSC has also undergone incredible expansions in its activities to reach out to new groups of service users every year.

2020/21

WELFARE SERVICES CLUB (WSC)

SUPPORTING COMMITTEES

Admin & Liaison

Admin & Liaison provides administrative support to WSC's operations by generating and reporting statistical data and other metrics for evaluating the club's social impact. This better enables WSC to focus on and achieve our targets. We also liaise with sponsors to support WSC's volunteering activities, seeking to find new sponsors and form long-term and meaningful relationships with them.

Finance Committee

The Finance Committee manages the allocated budget from the Finance Office across all portfolios within WSC. To facilitate efficient coordination between the club and NTU, our role is paramount in making sure that the portfolios remain financially healthy at all times by monitoring expenditures, incomes and reporting any variances, enabling them to focus on and achieve their respective objectives and goals.

Growth & Opportunities (GO!)

GO! prides itself in organizing annual events for the NTU community including NTU Social Impact Week and NTU WSC Exam Welfare Day. We aim to spread awareness of social causes and promote the spirit of volunteerism by supporting new causes, initiatives and collaborations outside of WSC's scope. This includes our existing green initiatives such as our collaboration with Foodbank Singapore.

Internal Relations

IR aims to weave WSC together by fostering social cohesion between WSC members across all portfolios through fun and exciting bonding activities and community service. We organise large-scale bonding events including WSC Community Service Day and WSC Annual Appreciation Dinner. Prospective members can look forward to gaining greater insight into event planning and management, and building camaraderie within the IR family through different ad-hoc volunteering opportunities and our annual retreats.

Publicity and Publications

PnP provides extensive technical support for the club including professional media coverage and disseminating information about volunteering and the club's activities through publications. This includes managing the club's presence on various online and offline platforms. The divisions of PnP include Design, Digital Imaging, Journalism and Media Development.

Overseas Volunteering Expedition (OVE)

OVE provides a suitable platform for passionate volunteers to continuously benefit less-privileged communities beyond geographical boundaries. Through establishing a close-knitted group of individuals, OVE aims to nurture future leaders who can think critically about prevalent social issues and creatively design solutions. To date, OVE has extended its overseas outreach to several countries in Asia, one of which is a four-year long partnership with Operation Hope Foundation as we prioritise sustainability. OVE has also collaborated with Metta Home for the Disabled and Beyond Social Services for our local volunteering outreach.

Camp Outreach (COR)

Camp OutReach (COR) aims to raise awareness and close the gap between the Deaf and hearing in our society. We organize empowering local events that allow them to come together to work, play and exchange ideas. We also organise the annual Overseas Community Involvement Programme (OCIP), where COR members and Singaporean Deaf volunteers come together to serve communities in need overseas. We don't help the Deaf; we empower them to help others.

Challenge Ur Limits (CURL)

CurL organises events for beneficiaries with various special needs, that challenges their mental and physical limits. CurL also aim to reach out to people regardless of any volunteering experiences, to spark their continuous interest in serving the community. CurL organises centre visits to celebrate occasions such as Christmas and Chinese New Year, which enable service users and CurL members to interact, build rapport and understand one another better.

Ignite Change (IGC)

Ignite Change organises the annual orientation programme targeted at freshmen and existing NTU students, through exposing students to volunteerism, as well as fun and games. IGC also conducts visits in collaboration with various NTU WSC portfolios to allow volunteers to get first-hand experience of interacting with the service users. As a platform to expose potential volunteers to WSC and ignite the spirit of volunteerism in them, IGC aims to bridge a connection between our students and our service users.

Volunteer Movement (VM)

VM aims to spread the spirit of volunteerism among students of NTU - mainly non-WSC members, through organising various interactive events with service users. By providing a readily available platform for meaningful interaction between service users and volunteers, VM hopes to ignite the passion for volunteerism amongst students, create a ripple effect to encourage students to share the joy of giving, and raise awareness and understanding of different service users.

WELFARE SERVICES CLUB (WSC)

REGULAR SERVICE PROJECTS

Deaf Community

RSP (DC) aims to embrace volunteerism as a lifelong experience with a focus on helping the Deaf realise their potential. We aspire to connect with the Deaf and bridge the gap between them and society through weekly tuition programmes and regular empowerment activities, such as sports and arts courses. Through this, we hope to improve the accessibility of the Deaf in learning and enjoying such activities. We also organise annual events which aim to reach out to more service users, promote volunteerism among the NTU community, and dispel misconceptions about the Deaf community.

Centers Served:

- Farrago
- Woodlands Tuition Centre
- Clementi Tuition Centre
- Kallang Tuition Centre
- Toa Payoh Central Community Club

Frequency Of Services: Every Saturday

Elders

RSP (Elders) believes in being a constant source of care and companionship for the elderly on a long-term basis. We actively seek to understand the biopsychosocial needs of the elderly, aiming to alleviate their loneliness and boredom through befriending. In addition to regular sessions, we organize celebrations, an annual excursion and other events for the elders to spread joy beyond their usual home/hospital settings.

Centers Served:

- Pearls Hill Care Home
- Ren Ci Community Hospital
- Sunshine Welfare Action Mission (SWAMI) Home

Frequency Of Services: Every Saturday

Friends of Children

RSP (FoC) mainly provides free weekly academic coaching, mentoring and life-skills teaching to children (4 to 17 years old) from low-income families. Through our 14 programmes across Singapore, we aim to focus on the academic and character building, and personality development of the children. Apart from weekly sessions, RSP (FoC) also organises events that can hone and impart life skills to our service users, mainly during June and December. These events are a platform for our service users and volunteers from all centres to learn from and interact with each other.

Centers Served:

- Bright Owl Project
- Teens Action Project
- Study Hearts Tuesday
- Study Hearts Thursday
- Trampoline Club
- Tween's Club @ Sengkang
- T-Edge Club
- Be With Me
- Pre-Teens Club
- Kids Read (Nanyang, Yuhua)
- Project SMART
- Tuition 4 All
- Ace Stars

Frequency Of Services: Various days between Tuesday - Saturday

Mental Health

RSP (MH) aims to create greater awareness of mental health and to help students understand people with mental illnesses better. Through weekly sessions at the Institute of Mental Health, volunteers befriend elderly and youth service users through recreational activities, parties celebrating festive occasions, and occasional excursions. These interactions can aid our service users in feeling reconnected with society and help them keep mentally and physically active. Beyond volunteering, RSP (MH) also organises the annual NTU 'Mind Matters' Mental Health Week to improve mental health literacy and promote mental wellness.

Centers Served: · Institute of Mental Health

Frequency Of Services: Every Saturday

Intellectually Disabled

RSP (ID) plans and conducts weekly sessions for service users with intellectual disabilities involving Sing-along, Curricular Development Training, Physical and Recreational Training, and Tea Break. Occasionally, outdoor activities such as Swimming Therapy and excursions are arranged to expose our service users to the ever-changing environment. Through these enriching programmes and outings, we aim to impart useful social skills and proper ethics to our service users and develop their potential to the fullest. Our ultimate goals are to help our service users integrate into society, gain open employment and create a strong sense of belonging for both our service users and volunteers.

Centers Served:

- MINDS - Woodlands Gardens School
- MINDS - Clementi Training & Development Centre

Frequency Of Services: Every Saturday

Physically Challenged

RSP (PC) envisions a society without discrimination towards the physically challenged. Our mission is to bridge the existing gap between the society and the physically challenged community, allowing them to be A PART of the society, not APART from the society. RSP (PC) hosts weekly sessions with interactive activities to empower our service users and engages in home visitations with our service users as a form of social interaction. In addition, we organise excursions to bring our service users around Singapore, allowing them to step out of their comfort zones.

Centers Served:

- Singapore Cheshire Home
- Friends of Disabled Society (FDS)

Frequency Of Services: Every Saturday

WELFARE SERVICES CLUB (WSC)

Operation Hope

RSP (OH) aims to connect with children and youths suffering from chronic and potentially life-threatening diseases, and raise awareness of the plight that they endure. Weekly sessions require volunteers to remain patient and tactful while involving our service users in fun and meaningful activities. On top of that, RSP (OH) also holds annual events with Club Rainbow (Singapore) and Viriya Community Services (VCS) which involve outdoor engagement and performances for service users to enjoy a day-off to enjoy outside their designated centres.

Centers Served:

- Clinic Play, Ward Play, Club Rainbow @ KK Women's and Children's Hospital
- Club Rainbow @ National University Hospital
- Children Cancer Foundation Play Personnel Programme @ KK Women's and Children's Hospital
- Children Cancer Foundation Play Personnel Programme @ National University Hospital
- Club Rainbow @ Agape

Frequency Of Services: Various days between Monday - Saturday

Visually Handicapped

RSP (VH) focuses on giving aid to and befriending visually handicapped service users of all ages and motivating them to excel in their pursuits. Through weekly mentoring and tuition sessions for students, we aim to boost their morale and self-confidence in their abilities. We also provide befriending programmes for elderly service users in English and Chinese. In addition, we regularly organise special events such as our Christmas event and our annual Eye Am Aware event to encourage interaction and allow service users and volunteers to learn from one another while creating wonderful memories and lasting bonds as one family.

Centers Served:

- Singapore Association of the Visually Handicapped (SAVH)
- IC2 Prephouse

Frequency Of Services: Every Saturday

Youth

RSP (Youth) aims to inspire youths from complicated backgrounds to reach their fullest potential through academic support, character building and water sports. We hope to provide a source of strength and confidence for our service users during their process of reintegration into society while inspiring them to pursue their dreams and aspirations. Through engaging tuition and mentoring activities, we wish to lend a listening ear to and instill positive values within the youths while striving to be "A Friend, A Teacher, A Mentor" to them. By volunteering with us, volunteers also gain valuable insights into the lives of these service users and come to learn about themselves too.

Centers Served:

- Boys' Town Singapore
- Singapore Boys' Home
- Jurong Youth Centre (BP Mentoring)
- SHINE Night Study Programme
- NTUnITE
- NTU Sea Lions
- Singapore Girls' Home
- THK Family Service Centre
